UNIT	NUMBER OF MARKS																						
																				June 2017			
																				B 2 Marks	C 4 Marks		
Chemical Periodicity																						-	-
Chemical Bonding																						2	-
Acids and Bases																						2	4
Main Group Elements																						2	-
Transition Metal & Coordination Compounds																						6	16
Inner Transition Metal																						2	-
Organometallic Compounds																						4	20
Bio-Inorganic Chemistry																						4	8
Nuclear Chemistry																						2	4
Analytical Chemistry																						2	4
Characterisation of Inorganic Compounds by Spectroscopy																						-	20
